### Aboriginal Transport

CCT can help with transporting younger Aboriginal people with disabilities and their carers, Aboriginal people over 50-years-old with mobility issues to funerals and cultural events. Eligible Aboriginal individuals and groups can use our service to get to medical appointments, shopping, social outings, cultural events, visiting, clubs and other destinations.

### Individual Transport

Transport is available for clients to access vital community services and to engage with their local communities. Services are generally door to door and are provided by our volunteer drivers. Some services have eligibility criteria.

*Local taxi companies provide a range of similar services. Please contact your nearest taxi provider to find out more about their services.*

**School Bus Services.** All school buses in the Northern Rivers carry public passengers if there are spare seats available. Please contact your local bus operator for further information. Many local bus services operate as Hail 'n' Ride; this means you don't need to go searching for a marked bus stop. Simply stand along the bus route in a safe location and hail the bus as it approaches you.
